Israeli Advisors - Too Close For Comfort

What is Casey doing with Zeevi as an advisor ?

[General Zeevi](#)

Israeli Intelligence Chief

[General Casey](#)

US Commander

Bush, under advice from his Neo-con handlers, sent US officers to Israel to train with the IDF to prepare for Iraq. Now we learn the IDF is fighting within our ranks in Iraq.

A number of officers are questioning whether we have a fifth column operating behind the lines. There have been too many sophisticated ambushes, and the enemy seems to know every move isolated patrols make.

After Blackwater Security was [ambushed twice](#), they want no part of any Israelis.

[AIPAC](#) and [JINSA](#) advised Bush on suitable Generals for our Iraq invasion, and our troops are paying the price.

The **Neocons** Who Got Us Into Iraq

Dov Zakheim

Interlocking Relationships Of Washington Zionist

[Interlocking relationships of Neocons](#)

An elite group of Zionist Jews inter-marry and infest our government. They called themselves Neocons and their sole purpose is directing US policy. Most are dual citizens and none served in the US military.

They want to start a [draft](#) for women.

Tommy Franks

What was Tommy Franks doing there?

Franks is a second-generation grandson of [Russian Jews](#). He is a staunch Zionist who ok'ed the looting of the Baghdad museum, [barb wiring of villages](#), snipers and massive air power.

[General Natonski](#)

Gen. Richard F. [Natonski](#), the commander who led the '[Massacre of Fallujah](#)', is a second generation [Ukrainian Jew](#) and a rabid Zionist.

Gen Natonski said: ... "[Fallujah is a cancer](#). The Muslims use [Mosques](#), and schools, to ambush Marines from. In almost every single mosque, in Fallujah, we've found an arms cache and IED factories."

US Officers [trained](#) in Israel

Israel set up two mock cities with [mosques](#), and they convinced Marines that mosques were a solid military target..

Marines storm ashore

Colonel Noam Tivon

in Gaza

Hundreds of US Marines riding hovercrafts stormed ashore the beaches of [Nitzanim](#), Israel. Joint maneuvers have been being quietly held between the US and Israeli militaries.

Israeli tactics show up everywhere in Iraq

It started with the shooting of journalists, then it escalated to massive bombing of civilians, checkpoint massacres, et cetera.

[Abu Ghraib](#) is an exact duplicate of the infamous Israeli-operated Khiam Prison in southern Lebanon. Snipers shooting children, [Fallujah](#) massacre, [assassination squads](#), are also all Israeli trademark techniques.

In an identical operation of the Israeli Jenin massacre, the Marines used [bulldozers](#) on houses to hide the death toll.

800 IDF fought with US Marines

Colonel Ygal Sharon was rumored to be the commander of 800 [Israelis](#) in Fallujah.

"Americans tend to be naive about the sophistication of Muslim fighters, and were grateful for Israeli partners."

Mossad backs Kurds

There are 60,000 Jews among the Kurd's leaders, and they want an independent state, [Kurdistan](#), which just happens to sit on the world's largest oil deposits

The leader of the Kurds, is a [Jewish](#) billionaire named Massoud Barzani, who has a massive Kurd militia that is [funded](#) by the CIA.

Abu Ghraib prison

[Israeli](#) psychological warfare [operatives](#), dressed in US military uniforms, controlled the prison and gave orders to American soldiers working in the prison.

The credibility of the American fighting man and woman, has suffered an indelible scar worldwide, thanks to the control that the Israelis were given at Abu Ghraib.

Mossad

"By way of deception"

We elected Bush, a [Zionist](#) puppet with a [Messiah complex](#), and he has put a group of Jewish Zionist Generals, whose first loyalty is to Israel, in charge of Iraq. These generals allow the IDF to be embedded

in the US army, with access to all military data. Our troops are involved in ambush after ambush by [Mossad /Al Qaeda](#), and no one is the wiser. [Operation Matador](#) is a perfect example.

The Sunnis think Shiites are blowing up their [Mosques](#), and Shiites think Sunnis are blowing up their [schools](#).

Mossad operatives plant bombs on Blackwater Security helicopters, [British transport](#) planes, inside US mess halls, and point the blame at Arabs. The internet is drenched with videos of [beheadings](#) of American truck drivers and Japanese translators, which only benefit Israel.

[Abu Nidal](#)

[USS Cole](#)

[Dov Zakheim](#)

[Israeli Black Ops](#)
