New Prime Minister of Iraq Has Jewish Origins

(1131 bytes) [c]

Who is the New Prime Minister of Iraq "Jawad Al-Maliki"??

Baghdad, Iraq (SalamRadio)-April 26, 2006 — Sources within the Iraqi Parliament reveal that the real name of "Jawad Al-Maliki," based on his identity documents as a representative of the Shiite coalition in the parliament, is Nuri Kamil Al-Ali, and that "Jawad Al-Maliki" is only an alias. In addition, he does not belong to the Al-Maliki clan.

Nuri Kamil Al-Ali's family comes from the village of Jalaajil, in the district of Tawayreej (now known as Al-Hindiya) in the province of Karbala, close to the border of Babylon province. His family is part of the tribe of Graydhat (originally Beni-Quraydha), which was Jewish until the 1920's. After the fall of the Ottoman Empire, this tribe "Graydhat" became Shiites.

Some of his relatives, also members of this tribe, include the famous songwriter Salih "Al-Kuwaiti" (who wrote the well-known folk song "Khadiri Achai Khadiri") who later fled to Israel, and famous news announcer Rushdi Abdel-Sahib. Nuri fled Iraq in 1979 and lived in Iran and Syria until 2003.
