## Why isn't the dog barking in Israeli Northern Iraq?

Terry Thurber, Al-Jazeera.info

December 18, 2006

See what they're doing? Do you see what they're not doing?

They're not telling us anything about Israeli (err) Kurdish northern Iraq.

What is going on there? Any "sectarian violence" (wink wink - nod nod!)? Any ministry policemen costumed "vendettas" happening there?

Kurds and Israelis are all fat - healthy and living the life in full serviced (electricity, water, medical) comfort on top of their stores of accumulated killing commodities protected under the 15 year "no-fly" zone. They probably got cable TV and their homes are warm.

Southern Iraq is not so chosen.

The Iraqis in southern Iraq are living in lakes of blood-puss and half rotted family members - they're starved - they're sick - drinking blood puss contaminated piss water and subject to all sorts of masked vendettas from the usual suspects of "opposing sects" perennially costumed as masked ministry police.

It may be as bad as the concentration camps in Palestine.

Why would anyone executing a vendetta wear a mask? It don't make sense! And why ain't it happening in Israeli northern Iraq?

A sure bet there are a whole bunch of ministry uniforms (and masks - maybe even a OJ "watch" cap or two!) in Israeli Northern Iraq. Could the masked ministry police murders be CIA Mossad IDF and Kurd operations to achieve a separate Israeli northern Iraq? Could they be creating a theatrical ruse of sectarian violence for CNN's southern Iraq blood festival?

Never forget, as an ex-CIA chief bragged a few weeks back, "the job of the CIA is to buy treason". Aside from being unconstitutional - it's a sick position.

Two years ago we thought Israel was acquiring bunker busters for Iran. Instead, Lebanon got bunker busted! Now Israel is harassing, of all people, the Holocaust and Settlement industries for a few extra shekels to cover their

:: ONU - XX Assemblea Generale (1965):

La XX Assemblea Generale dell'ONU (1965) dichiara "la legittimità della lotta da parte dei popoli sotto oppressione coloniale, per esercitare il loro diritto all' autodeterminazione e all'indipendenza". Inoltre, l'Assemblea invita "tutti gli Stati a fornire assistenza morale e materiale ai movimenti di liberazione nazionale nei territori coloniali".

:: ONU - Risoluzione 1514

"L'Assemblea Generale dichiara che: la soggezione dei popoli a dominio straniero, conquista e asservimento costituisce una negazione dei diritti umani fondamentali, è contraria alla Carta delle Nazioni Unite ed è un impedimento alla promozione della pace e della cooperazione mondiali. Tutti i popoli hanno diritto all' autodeterminazione; in virtù di tale diritto essi devono liberamente determinare il loro status politico e liberamente perseguire il loro sviluppo economico, sociale e culturale".

:: Convenzione di Ginevra, Protocollo Addizionale I (1977):

La lotta armata può essere usata, come ultima risorsa, come mezzo per esercitare il diritto all' autodeterminazione.

:: Tribunale penale internazionale

In base allo Statuto del Tribunale penale internazionale, sono definiti "crimini di guerra": (1) attacchi lanciati intenzionalmente contro popolazione civili in quanto tali o contro civili che non

1.6 Billion dollar purchase of the US DU incineration devices that fried so many Lebanese.

A little slice of southeast Lebanon would have been perfect for a pipeline from Israeli Northern Iraq though a new Lebanese "blue" zone Israel hoped to burn in it's August 2006 crime to the meters and cash registers of occupied Haifa.

There is no news ever out of Kurd North Iraq.

The gatekeepers screaming for immediate troop withdrawal (the troops should stay at the discretion of an as yet to be formed Iraqi Provisional Coalition organization created [only] by "natural" Iraqis) know that the healthy, well fed, well sleeping -well armed Kurds and Israelis - once the US is gone - can "impose" a separate Kurdish Iraq.

Until we see what this troop "re-deployment" is really about - we need as much information about the Israelis and Kurds as we can get. What's going on in that sector? What's life like in Israeli Northern Iraq?

Why isn't the dog barking in Kurd Northern Iraq? Something's up - nobody is saying a thing - except get the troops out! The troops leave - the Israelis own what used to be northern Iraq and they will earn their commissions through continued provocations and sabotage and we will indeed go bankrupt and starve in a hundred year war.

Iraq's future does not include Israeli or Kurd separatist oil companies. The oil in northern Iraq belongs to Iraq. If peace and resolution is the goal - the criminals hiding behind the Jews and working out of Israel can not be allowed one more drop of stolen Iraqi oil.

Peace
