Zionist Mossad increasing presence in western Iraq, tribal leader reports.

Quds press, Translated by Muhammad Abu Nasr, member, editorial board, the Free Arab Voice.

August 26, 2007

In a dispatch posted on its website Saturday, Quds Press reported that the head of the Union of Tribes of Western Iraq in the area of the Upper Euphrates near the Syrian border had disclosed that the "Israeli" Mossad had increased its presence in those areas, beginning two months ago. He said that US forces are extending protection to the Mossad's cars and headquarters in the area.

Shaykh Ahmad al-Khanjar, the Chairman of the Union of Tribes of Western Iraq, an organization of 13 Iraqi tribes, told Quds Press that four-wheel-drive GMC cars belonging to the Mossad are present in the areas of al-Hadithah and nearby al-Haqhaniyah, 'Anah, al-Qa'im, Jubbah, and other villages. He said that the "Israelis" have been there for several months under American protection.

The Mossad men, al-Khanjar said, wear civilian clothing (some of them including yarmulkes) and travel around western Iraq under American guard. He said that the Mossad operatives stay in the headquarters that the Americans have set up in the old Customs Building near the Syrian border, in the former Iraqi Army Camp in the area of al-Baghdadi, about 200km northwest of Baghdad, and at the phosphate mining complex.

Shaykh al-Khanjar said that they have also established their own headquarters similar to the facilities used by the American occupation forces. The Mossad set up one of its headquarters in the former Hafsah Primary School in al-Qa'im on the Syrian border, and in the large building that formerly housed the headquarters of the "Projects for Roads, Bridges, and Travelers' Rest Stops." The Zionists have surrounded their facilities with large security fortifications and barbed wire, making it virtually impossible to break in. They have also set up communication towers atop those headquarters. In addition, the Shaykh said, they have recruited Iraqis willing to work for them inside the city.

Shaykh al-Khanjar said that the Mossad operatives come out of their headquarters every day, making three rounds outside the city accompanied by US escort vehicles. He said that local people were certain that the Mossad agents' mission was of a non-combat character, consisting of espionage and gathering information. Shaykh al-Khanjar said that the Iraqi Resistance attacked them on 17 July, destroying one of their vehicles and killing four of the people inside. After the attack it became clear from the papers and documents on the men that they were members of the "Israeli" Mossad.

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

-

Bushite demon LIAR bombers state their killing "Al-Qaida", but they refuse as COWARDS to get Bush's buddy, Mr. Al-Qaida, General Mahmoud Ahmad.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of America, who cowardly run from responsibility in America to defend their own brothers and sisters from the neocon, and die instead as/with rapists, torturers, and THIEVES.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Look, my friends. These, for cash profit, hired lawless killers, have no commitment to defending anyone's freedom, but to create hardships and death for the American GI. Aegis murderers innocent people on Iraqis streets for FUN! While desecrating Elvis! That, according to CNN in bushville, are not applicable to any standing enforcing laws, but to say, bushite soldiers are cowardly enemies of God and Humanity. They rape, pillage, and steal from

themselves! American GIs wont even defend American GIs!

Look, the war had no TRUE justification. Saddam didn't violate 1441. CBC, CNN, and FOXnews just refused all calls, while informing US, we all believe Saddam has WMD. While those, such as myself, declared (as recorded by usenet) nothing of the sort. We need a media working for our interests, that honestly takes our calls, but a corporate for pro... blahblahblah. Listen out Johnny Wizard, then command we allow ourselves, free open dialog on our corporate news airwaves.
